INFOCOMP VOLUME 7 - N. 3 - September 2008

Dynamic Query Plan for Efficient Query Processing in Peer-to-Peer Environments.....01 Mehedi Masud, M. A. Hossain	01
Bringing Semantics to Web Services: Model Driven Approach.....07 Djamel A. Bensaber, Djamel Benslimane, Mimoun Malki, Sidi M. Benslimane	07
A Cost Effective Region Specific Spatial Domain Color Image Watermarking Scheme.....17 Amit Phadikar, Santi P. Maity, Bhupendra Verma, Sanjeev Jain	17
Class Inheritance Metrics-An Analytical and Empirical Approach.....25 Kumar Rajnish, Vandana Bhattacharjee	25
Cognition Based Service Selection in Semantic Web Service Composition.....35 Sandeep Kumar, R. B. Mishra	35
Multi-Agent Based Semantic Web Service Composition Models.....42 Sandeep Kumar, R. B. Mishra	42
Ontology Mapping for Querying Heterogeneous Information Sources.....52 Sidi M. Benslimane, Afaf Merazi, Mimoun Malki, Djamel A. Bensaber	52
Multi-Threading and Shared-Memory Pool Techniques for Authorization of Credit Card Systems Using Java.....60 Siti H. AB. Hamid, Mohd H. N. M. Nasir, Wong Y. Ming, Hazrina Hassan	60
Software Security Risk Analysis Using Fuzzy Expert System.....70 Sosiya A. S., Longe H. O. D., Fasan O. M.	70
Variations of the Secretary Problem Via Game Theory and Linear Programming.....78 Melissa de Carvalho, Lucas M. Chaves, Ricardo M. de A. Silva	78
